

Speaking

Preparation time: 4 min.

Time: 5 min.

Talk about the following question on your own.
Use the ideas given if you wish.

Is family the most important thing in life?

You may choose to discuss:

- 1) the role of the family,
- 2) parents – children relations,
- 3) family problems,
- 4) your ideas of your family in the future, etc.

Remember:

to make an introduction posing the problem,
to enumerate positive effects of the family, giving your arguments and examples,
to enumerate family problems, giving your arguments and examples,
to give your personal point of view.
